**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

i have chosen LMI.net as my internet service provider, because they are a local company and i prefer to support local business rather than international cartels -- i also find that they are efficient, responsive, and helpful whenever i need assistance -- so please do not implement any regulations which limit or abolish the existence of competitive providers.
